

UNIVERSITY OF TORONTO

OFFICE OF THE VICE-PRESIDENT (ADMINISTRATION)

January 28, 1964.

Mr. Godfrey Ridout,
71 Rowanwood Avenue,
Toronto, Ontario.

Dear Mr. Ridout:

We have today received from our solicitor the net residue of the Estate of Kathleen Parlow, which, as you know, is to be used to establish the "Kathleen Parlow Scholarships" in the Faculty of Music.

It has been brought to our attention by our solicitor that as an executor of the Estate you have waived the compensation to which you are entitled for acting in that capacity.

The beneficiaries of this action will be the students in the Faculty of Music, who will receive assistance from the scholarship fund, and for whom funds would not be available except for your generosity.

On behalf of these future students, and on behalf of the University of Toronto, may we extend thanks and appreciation.

Yours sincerely,

A handwritten signature in dark ink, appearing to read "F. R. Stone".

F. R. Stone,
Vice-President (Administration)

KSG/sw

The first of the two main points of the report is the fact that the results of the study are in general agreement with the findings of the other studies. The second point is that the results of the study are in general agreement with the findings of the other studies.

It has been pointed out in the literature that the results of the study are in general agreement with the findings of the other studies. The second point is that the results of the study are in general agreement with the findings of the other studies.

The results of the study are in general agreement with the findings of the other studies. The second point is that the results of the study are in general agreement with the findings of the other studies.

The results of the study are in general agreement with the findings of the other studies. The second point is that the results of the study are in general agreement with the findings of the other studies.

Very truly,
Your sincerely,
